

Building 3

Patio for Gatherings

PUBLIC SAFETY RESEARCHERS NEED YOUR FINGERPRINTS –

Collection dates: April 18-22

Hosted by NIST [Public Safety Communications Research](#)

How You Can Help First Responders: Volunteer your fingerprints to advance mobile fingerprint capture technology for field officers. Contestants of the Mobile Fingerprinting Innovation Technology (mFIT) Challenge (mfitprize.com) submitted prototypes to compete for cash prizes. Data is fully anonymized – your name is not associated with collected fingerprint images! We'll delete all data after evaluations are complete.

How to Sign Up: Volunteer for a one-hour time slot on [SignUp Genius](#). **This event is open to all US citizens and Permanent Residents over 17 years old!** Organize your group to sign up together – think **Team Event!** Enjoy social time on the patio with your group before or after your appointment – *with snacks provided by the mFIT Team.*

After you sign up, we'll follow up with details on your visit to the NIST Boulder campus. *Thank you!*
